Dear Mr. Keppler:

This office represents the J. W. Rex Company of Lansdale, Pennsylvania in litigation commenced against it, and others, by Consumers Power Company and Bechtel Power Corporation, as a result of the failure of reactor vessel holddown studs on the Midland Unit I Reactor Vessel. This matter was thoroughly investigated by your office by investigators J. E. Foster and C. M. Erb.

The purpose of this letter is to request copies of all reports of your investigation and all memos, correspondence, purchase orders, and other documentation obtained during the course of that investigation. This request is being made pursuant to the Federal Freedom of Information Act, 54 Stat 54 (1967), 5 U.S.C.A. 552.

If the requested documents are too voluminous to copy, then we would request permission to review these documents in one of your offices as soon as possible.

Please give this matter your prompt attention. We thank you for your kind anticipated cooperation.
