Dear Ms. Miller:

The Division of Project Support is pleased to accept your invitation for a speaker at the Utility Working Conference to be held at the Amelia Island Plantation, Amelia Island, Florida from August 13-16, 1995. Tom Dunning of the Technical Specifications Branch will attend and give a brief overview on the topic of Internet Access to NRC Information and will participate in an informal discussion with the audience in either a roundtable or workshop format.

Please send registration material for the conference directly to Mr. Dunning. A copy of the slides that Mr. Dunning will use for the discussion will be forwarded to you by the requested July 24th date.

Thank you for including NRC in this conference session and I am sure that our participation will be of mutual benefit.

Sincerely,
