Docket No. 50-315
Docket No. 50-316

American Electric Power Service
Corporation
Indiana and Michigan Electric Company
ATTN: Mr. John E. Dolan
Vice Chairman
Engineering and Construction
1 Riverside Plaza
Columbus, OH 43216

Gentlemen:

This refers to the management meeting on January 31, 1984, at Glen Ellyn, Illinois, between me and members of my staff and you and members of your organization regarding the status of your Regulatory Performance Improvement Program (RPIP).

The enclosed copy of our report of this Management Meeting summarizes our understanding of areas discussed during the meeting. We agreed that you would submit an update of your RPIP. We further agreed that timely execution of the remainder of the program should have a high priority. We are reviewing the information which you provided at the meeting and will contact you if we have any questions. In the event that there should be a change in the milestone dates for any of your RPIP items, do not hesitate to contact this office. We also committed to continue meeting with you on a regular basis regarding the status of your program.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure(s) will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1). If we do not hear from you in this regard within the specified periods noted above, a copy of this letter and the enclosed inspection report will be placed in the Public Document Room.
