Gentlemen:

Thank you for your letter dated October 18, 1983, informing us of the steps you have taken to correct the noncompliance which we brought to your attention in Inspection Report No. 50-461/83-09 forwarded by our letter dated August 15, 1983. We cannot concur in your response, but in view of similar problems identified at other plants, we are referring the matter to the Office of Nuclear Reactor Regulation for final resolution.
