Dear Mr. Ottoson:

Subject: Inspection No. 030-30742/91-001

This refers to your letter dated May 7, 1991, in response to our letter dated April 29, 1991.

Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

In regards to Items B and C of the Notice of Violation dated April 29, 1991, please describe what actions you have taken to prevent these violations from reoccurring. In addition, please describe what actions you will take to assure that your Field Service Engineers comply with your leak test and dosimetry procedures.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
