Subject: Published Accepted Versions of JGC's Topical Report
JGC-TR-001-P-A and JGC-TR-001-NP-A The Drum Mixer
Process for Volume Reduction and Solidification

Dear Mr. Thomas:

We wish to thank you for your letter of July 28, 1983 informing us of the completion of your review of the above topical report and find it acceptable for referencing in license applications for light water reactors in accordance with the comments included in your letter.

In compliance with the established procedures (NUREG-0390), we are hereby submitting our published accepted versions of this report, proprietary (22 copies) and non-proprietary (12 copies).

We shall of course be pleased to cooperate with the Commission should its criteria or regulations change.

Sincerely yours,

JGC CORPORATION
