Re: Limerick Generating Station, Units 1 and 2,
Docket Nos. 50-352 & 50-353

Dear Mr. Bradley:

The City of Philadelphia is very much interested in reviewing any correspondence or documents among the Applicant, NRC Staff, the Commonwealth and other responsible governmental agencies as it relates to emergency planning or whether to do such for the Schuylkill River, Delaware River and/or the City and County of Philadelphia. Would you kindly provide me with any such documents.

Sincerely,

Martha W. Bush
