Attention: Mr. Donald A. Nussbaumer

Dear Sir:

Pursuant to United Nuclear's request for an import license, dated April 1, 1969, and assigned Docket No. 70-903, you issued Special Nuclear Materials Import License No. SNM-1128. This license authorizes United Nuclear to import 4.9 kilograms of plutonium as plutonium oxide, a quantity based on paragraph 2 of the license request.

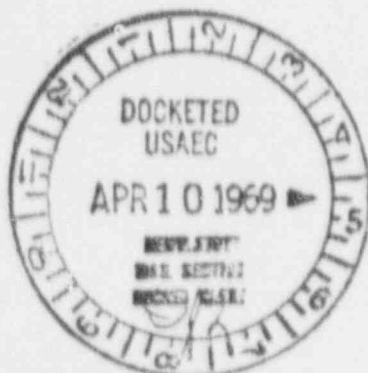

Paragraph 2, however, should have read "... approximately 5.412 kilograms are plutonium as plutonium oxide".

It is requested that SNM-1128 be amended to reflect this change or a new license issued to cover the correct amount of plutonium.

Thank you for your consideration in this matter.

Sincerely,

E. B. White, Jr.
