Dear Mr. Richard:

This letter is to confirm the March 30, 1994<sup>5</sup> telephone conversation between you and Ms. Michelle Barry of my staff regarding the loan of syringe shields, various pharmacy kits, a ring badge, and sample nuclear medicine scans including a bone scan, lung scan, and brain scan. It was agreed that Indiana University will loan the U.S. Nuclear Regulatory Commission, Region III office these supplies <sup>for</sup> 90 days, starting April 17, 1995. We appreciate your assistance in this request.

If you have any questions regarding this issue, please contact Ms. Barry at (708) 829-9838.

*Sincerely*
