November 25, 1970

Mr. James C. Malaro
Isotopes Branch
Div. of Materials Licensing
Atomic Energy Commission
Washington, D. C. 20545

Dear Mr. Malaro:

It seems that an additional drawing (A-7120-1581-1) was left out of my May 4, 1970 letter and was overlooked as missing when responding to a similar request in my October 1, 1970 communication. Therefore, I am enclosing the drawing herewith.

Sincerely,

M. B. Whittier
Radiation Safety Officer
