Dear Mr. Smokovich:

Enclosed is a copy of final revisions to the NRC's fee schedules for FY 1993. The revisions are necessary to implement Public Law 101-508 passed by Congress on November 5, 1990, which requires the NRC to recover approximately 100 percent of the budget authority through fees. The final rule was published in the Federal Register on July 20, 1993.

Sincerely,

A handwritten signature in cursive script, appearing to read "R. Scroggins", is written over the typed name.
