Dear Ms. Wright:

General Electric has received the subject license. The current expiration date is 31 December 1983.

Since exports under authority of the license will be necessary beyond that expiration date, General Electric hereby requests amendment of the license extending the expiration date to 31 December 1987.

In order to maintain the license as a single document, we would appreciate your preparation of Amendment No. 9 such that our eight previous amendments are superseded.

Very truly yours,
