Subject: ORDER RESCINDING ORDER IMPOSING MONETARY CIVIL PENALTY - \$3,000;
AND NOTICE OF TERMINATION OF LICENSE

By EN 94-116a, dated February 6, 1995, the Commission was notified of the intent of OE to issue an Order Imposing a Civil Penalty in the amount of \$3,000 to Environmental Testing Laboratories, Inc. This action was based on a Severity Level III violation involving possession of licensed material with an expired NRC license. The Order Imposing a Civil Penalty was issued February 15, 1995.

Environmental Testing Laboratories, Inc. responded to the Order Imposing a Civil Penalty in a letter dated March 23, 1995. In its response, the licensee requested abatement of the imposed monetary civil penalty based on its transfer of the byproduct material to an authorized recipient and its request for a license termination. After careful consideration of the licensee's response, the staff has decided to issue an order rescinding the civil penalty and a Notice of Termination terminating the license.
