Any remaining documents relating to the subject matter of your request are nonagency records exempt from processing under the Freedom of Information Act because the White House has asserted a clear intent to retain control over these documents. Further, we understand that some of the documents have already been made available to your organization by the House Committee on Post Office and Civil Service.

This completes NRC's action on your request.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. M. Felton", with a long horizontal flourish extending to the right.

J. M. Felton, Director
Division of Rules and Records
Office of Administration
