Dear Mr. Murley:

This is in response to your letter of November 25, 1983 regarding the U.S. Nuclear Regulatory Commission's review of the Maryland Radiation Control program.

Due to previous commitments, neither myself nor Mr. William M. Eichbaum, Assistant Secretary for Environmental Programs, were able to meet with your representatives on December 16, 1983. Mr. William M. Eichbaum will be available on Monday, January 9, 1984, at 10:00 a.m. I would appreciate if you would advise Mr. David L. Sincerely,
