SUBJECT: LICENSE FEE BACKGROUND DATA

Attached are IE Cost Data Worksheets you requested for Marble Hill 1&2, WPPSS 3&5, Hatch 2, and Arkansas 2. Please note that LCVIP effort cannot be associated with specific plants so no costs are reflected for those inspections. REQUEST FOR ACTUAL MANPOWER DATA

None of the cases listed in your October 2, 1978 memorandum have been listed as "noncontested" cases by our Panel members in their reports of time spent in "noncontested" cases in 1978.

Actually we didn't have boards on Hatch 2 and Arkansas 2. Both of those cases are Operating License cases, and apparently no petitions to intervene were filed.

Accordingly, the list would appear not to be applicable to the ASLBP.
