MEMORANDUM FOR: Elinor Aulensam, Chief
Licensing Branch No. 4
Division of Licensing

FROM: George Lear, Chief
Hydrologic and Geotechnical Engineering Branch
Division of Engineering

SUBJECT: REVIEWER ORIENTATION SESSIONS
FOR WMP 1/4 FSAR

Your October 23, 1981 memo, subject as above, requested information on technical reviewers for the WMP-1/4 FSAR Orientation. Our response:

Geotechnical Engineering Section:
Dinesh Gupta - SRP Sections 2.5.4, 2.5.5, and 2.5.6

Hydrologic Engineering Section:
Gary Staley - SRP 2.6.1 thru 2.6.14

With regard to your planned meeting, please reorganize the order of agenda items to move #9 to follow #3. Our reviewers will attend that part of your meeting of direct interest, technically, to their review; thus, grouping of technical subjects of similar or closely related fields will reduce their time away from active case review.
