Gentlemen:

Thank you for your letter dated June 26, 1972, regarding the exposure of an individual to radiation. This matter will be examined during the next inspection of your facility.

On October 29, 1970, Section 20.405 of 10 CFR 20 was amended to require that reports submitted pursuant to this section of the regulation contain the name, social security number, and the date of birth of the exposed individual. Since your May 15, 1972 letter did not include the date of birth of the individual in question, we would appreciate your providing us with this information.

Very truly yours,
