Commissioner Ramey

FLORIDA POWER AND LIGHT COMPANY (TURKEY POINT
UNIT 3), DADE COUNTY, FLORIDA

You asked me for a status report on the concrete
void problem at Florida Power and Light Company's
Turkey Point Unit 3 plant. This report is En-
closure 1. Enclosure 2, staff paper AEC-R 143/17
dated April 3, 1968, provides background informa-
tion on this problem.

(Signed) HLF

Harold L. Price
Director of Regulation
