South Texas Project Electric Generating Station
Units 1 and 2
Docket Nos. STN 50-498, STN 50-499
Response to Request for Additional Information Regarding
Proposed Amendment to Technical Specification 6.4.1

Reference: Proposed Amendment to the Units 1 and 2 Technical
Specification 6.4.1, W. H. Kinsey to Document Control Desk,
January 8, 1991 (ST-HL-AE-3630)

Houston Lighting & Power Company (HL&P) submits this response to your request for additional information to support the proposed amendment referenced above. Attached is correspondence from INPO stating that the South Texas Project Electric Generating Station (STPEGS) operator training program has been accredited, and that HL&P has become a member of the National Academy for Nuclear Training. In addition, HL&P has confirmed that the STPEGS training program is based on a systematic approach to training.

If there are any questions, please contact either Mr. P. L. Walker at (512) 972-8392 or me at (512) 972-7205.

Mr. Don D. Jordan
Chairman and CEO
Houston Lighting & Power
Company
P. O. Box 1700
Houston, TX 77251

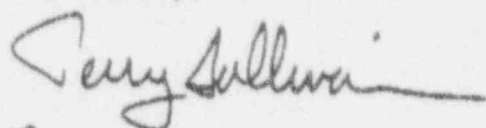

Dear Mr. Jordan:

I am pleased to inform you that on July 18, 1990, the National Nuclear Accrediting Board awarded accreditation to the following training programs of Houston Lighting & Power Company's South Texas Project Electric Generating Station:

- o instrument and control technician
- o electrical maintenance personnel
- o mechanical maintenance personnel
- o chemistry technician
- o radiological protection technician

Houston Lighting & Power Company has now become a member of the National Academy for Nuclear Training. You and your staff are to be congratulated on this accomplishment.

Sincerely,

for Zack T. Pate
President

Houston Lighting & Power
Company
P. O. Box 1700
Houston, TX 77251

Dear Mr. ^{Don}Jordan:

I am pleased to inform you that on June 28, 1990, the National Nuclear Accrediting Board awarded accreditation to the following training programs of Houston Lighting & Power Company, South Texas Project Electric Generating Station:

- o non-licensed operator
- o reactor operator
- o senior reactor operator/shift supervisor
- o shift technical advisor
- o technical staff and technical staff managers

With the accreditation of these programs, South Texas Project Electric Generating Station becomes a branch of the National Academy for Nuclear Training.

Sincerely,

A handwritten signature in dark ink, appearing to read "Zack".
