Attention: Mr. R. C. Jones, Jr. Chief, Reactor Systems Branch, Office of Nuclear Reactor Regulation

Subject: Additional Information Provided to Support the Review of Topical Report WCAP-13360 [Proprietary]

Dear Mr. Jones:

We had submitted the above referenced document for NRC review and approval. During recent interaction between the Staff and Westinghouse concerning NRC's review of WCAP - 13360, several questions were raised by the Staff. In response to those questions, we have enclosed three attachments that should assist the Staff in completing its review of WCAP-13360.

- 1) Attachment A, "Response to Informal Questions on WCAP-13360"
- 2) Attachment B, "Presentation/Discussion Material Used in Meeting Held on 6/8/95 on WCAP-13360, Information Updated with Sensitivity Study Results"
- 3) Attachment C, "Results of 2-Loop Sensitivity Study and Response to Further Questions on WCAP-13360"

Also enclosed are:

1. One (1) copy of the application for Withholding, AW-95-854 with a Proprietary Information Notice and a Copyright Notice.
2. One (1) copy of Affidavit, AW-95-854.

This submittal contains proprietary information of Westinghouse Electric Corporation. In conformance with the requirements of 10 CFR 2.790, as amended, of the Commission's regulations, we are enclosing with this submittal an application for withholding proprietary information from public disclosure and an affidavit. This affidavit sets forth the basis on which the information identified as proprietary may be withheld from public disclosure by the Commission.

Correspondence with respect to the Affidavit or Application for Withholding should reference AW-95-854 and should be addressed to the undersigned.

Questions in connection with information provided in Attachments A, B, or C, should be directed to Mr. Louis Grobmyer at (412) 374-5604.

Very truly yours,

N.J. Liparulo, Manager  
Nuclear Safety Regulatory and Licensing Activities
