MEMORANDUM FOR: ~~Sher~~ Bahadur, Chief
Regulation Development Branch
Division of Regulatory Applications
Office of Regulatory Research

FROM: Vandy L. Miller, Assistant Director *V. Miller*
for State Agreements Program
State Programs
Office of Governmental and Public Affairs

SUBJECT: REQUEST FOR COMMENTS ON THE NOTIFICATION OF
INCIDENTS RULE

We have reviewed the comments on and changes to the proposed rulemaking on the Notification of Incidents. We have no comments at this time.

When the final rule is published, State Programs will request the Conference of Radiation Control Program Directors, Inc. (CRCPD) to task the Part D Committee to develop appropriate wording in the Suggested State Regulations (SSR). States will then have a basis for establishing and adopting compatible requirements.

Jim Myers, from my staff, will attend the meeting to discuss the proposed rule scheduled for November 15, 1990.
