SUBJECT: INSPECTION NO. 70-734/95-201

Dear Mr. Edwards:

This refers to a material control and accounting safeguards inspection conducted at your facility during the week of July 17 - 21, 1995. The purpose of the inspection was to determine whether activities authorized by the license were conducted safely and in accordance with NRC requirements. At the conclusion of the inspection, the findings were discussed with you and members of your staff.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations of activities in progress.

Based on the results of this inspection, no significant violations of NRC requirements were identified. One noncited violation of minor significance was identified.

The material enclosed herewith contains Safeguards Information as defined by 10 CFR Part 73.21, and its disclosure to unauthorized individuals is prohibited by Section 147 of the Atomic Energy Act of 1954, as amended. Therefore, the material will not be placed in the Public Document Room.
