Docket No. 50-413
Proof and Review Technical Specifications

Dear Mr. Denton:

In my March 15, 1984 letter to you regarding the Proof and Review Technical Specifications for snubbers, reference was made to a March 1, 1975 letter from Joseph Sapir to Dennis L. Ziemann. This referenced letter was to have been attached but was inadvertently omitted from my letter. Please find attached the referenced letter.

Very truly yours,

Hal B. Tucker
