5-7-002

Dr. William T. Pratt
Division Head
Safety and Risk Evaluation Division
Department of Nuclear Energy
Building 130
Brookhaven National Laboratory
Upton, New York 11973

Dear Trevor:

Enclosed please find the final partial list of responses to the Request for Additional Information (RAI) related to the CE System 80+ PRA (FIN L-2412, Task Order No. 3). The following two documents are enclosed:

- (1) CE response to RAI, LD-92-023, dated February 18, 1992
- (2) CE response to RAI, LD-92-026, dated February 19, 1992

The second document (LD-92-026) contains proprietary information that should be appropriately safeguarded.

Sincerely,

Original signed by:

Nicholas T. Saltos, Project Manager
Risk Applications Branch
Division of Radiation Protection
and Emergency Preparedness
Office of Nuclear Reactor Regulation
