MEMORANDUM FOR: Olan Parr, Chief, Auxiliary Systems Branch
 Division of Systems Integration

FROM: Themis Speis, Chief, Reactor Systems Branch
 Division of Systems Integration

SUBJECT: PRE-TMI-2 STATUS OF MIDLAND REVIEW (NEW ASB SECTIONS
 3.5.1.2, 4.6, AND 5.2.5)

To assist your NTOL review of the above sections of the Midland FSAR, we have attached the appropriate portions of a draft SER (uncirculated) written by RSB in 1979 which reflects the RSB status of the review before TMI-2. We have also attached a memo by the Project Manager, D. Hood which lists the open items which had been identified in the Midland review before TMI-2.
