Docket No. 50-83

Dr. Nils J. Diaz
Professor and Director
of Nuclear Facilities
Department of Nuclear
Engineering Sciences
102 Reactor Building
University of Florida
Gainesville, Florida 32611

Dear Dr. Diaz:

On June 27, 1984, the Nuclear Regulatory Commission issued Amendment No. 14 to Facility Operating License No. R-56. That Amendment number should have been Amendment No. 15 because Amendment No. 14 had already been issued. We are reissuing the Amendment as Amendment No. 15 to correct this error. If you have any questions regarding this change, please contact Harold Bernard, our Project Manager for your facility.

Sincerely,

15/

Cecil O. Thomas
