REMARKS

These were sent to our office from Kris Kater in SECY Bldg. Unfortunately the transcripts were already distributed by Ms. Kater's gc, so she sent these pages back.

Doris Moran told me to send these to you. They should be inserted in the Farley transcripts. These are corrected pages.

DO NOT use this form as a RECORD of approvals, concurrences, disapprovals, clearances, and similar actions

1 JUDGE BOLLWERK: All right.

2 Let's do one thing. We should have done this up
3 front in terms of identifying them, and we didn't. Can you
4 give us a brief identification of each one, and let's move
5 them in individually?

6 I want to make sure there is no question about the
7 record here, what we have let in, especially since we have
8 some numbers that are duplicates. So, it will take a couple
9 of seconds, but I think it would be worthwhile.

10 MR. HOLLER: The staff moves the following
11 documents, which have been marked for identification, be
12 moved into evidence: Staff Exhibit No. 1, NRC staff
13 professional qualifications.

14 MR. MILLER: No objection.

15 MR. HOLLER: Staff Exhibit No. 2, notice of
16 violation and proposed imposition of civil penalty, dated
17 August 15, 1988.

18 MR. MILLER: It may help if we just say one time
19 we have no objection to any of these exhibits coming in.

20 JUDGE BOLLWERK: Can you just identify them all?

21 MR. HOLLER: Staff Exhibit No. 3, order imposing
22 civil monetary penalty, dated August 31, 1990.

23 Exhibit No. 4, modified enforcement policy
24 relating to 10 CFR 50.49, short title Generic Letter 88-07.

25 Staff Exhibit No. 5, a Commission paper which is
