Dear Mr. O'Reilly:

The response to Violation No. 413/83-44-01, 414/84-21-01 is being coordinated between Nuclear Production and Construction, both staffs of which are experiencing heavy schedular demands associated with completion of outstanding items prior to fuel load. This response is being finalized and will be forthcoming by June 11, 1984.

Very truly yours,

H. B. Tucker
