Attention: Mr. William R. Gould, Chairman of the Board

Gentlemen:

This refers to the enforcement conference held with members of your staff at the Nuclear Regulatory Commission Region V office, Walnut Creek, California on May 9, 1984. The conference was related to activities authorized by NRC License No. NPF-15. Subjects discussed during that meeting are described in the report which is enclosed for your information.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosures will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).

Should you have any questions concerning this conference, we will be glad to discuss them with you.

Sincerely,

TS

T. W. Bishop, Director
Division of Reactor Safety
and Projects
