Division of Engineering

SUBJECT: REQUEST FOR PRODUCTION OF DOCUMENTS - MIDLAND NPP

We have reviewed the request for information dated April 7, 1983, Intervenor Barbara Stamiris' Request for Production of Documents to NRC Staff based on the directions received by yourself and the NRC Legal Staff.

We have no documents that apply in any way to items 1, 2, 3, 6, 7, 8 identified under Documents to be Produced.

With respect to item 4 Documents, including technical analyses performed by or submitted to NRC related to underpinning work at Midland site for:

- (a) December 1982 start date
- (b) February 1983 start date
- (c) FIVP January 1983 to present

We provide Enclosure (I) which lists the applicable documents. However, note that we are only considering, as per our discussion of April 12, 1983, documents issued and/or received following the issuance of the SSER No. 2, dated October 1982. Also, we are providing additional comments for any listed document that may not be part of the PDR.

For item 5 we are listing and/or providing information issued after October 1982 as applicable to independent audits performed by parties not related to NRC. See Enclosure (II).

All work is part of PDR.
