NUCLEAR LICENSEE EVENT REPORT (LER) PUM LISTINGS

The enclosed LER computer listings provide information on certain licensee event reports entered into the file during the month of November. The two listings provided are as follows:

1. LER output on PUM events sorted by cause, facility, and event date.
2. LER output on events involving personnel error sorted by facility and event date.

If you desire additional information or special searches, please do not hesitate to contact us.
