Subject: AEC LICENSES NO. 34-51-3, -4, -5 AND R-119

Dear Mr. Matelski:

A compliance inspection of your activities involving use of radio-
active materials licensed by the Atomic Energy Commission has been
scheduled for the week of September 26, 1960.

The inspection will be conducted by members of my staff, Messrs.
Eugene Muretti and James Allan.

They will call you by telephone to arrange for the inspection upon
their arrival in the area. They may be accompanied by a representa-
tive of the Ohio Department of Health.

Sincerely yours,

Roy G. Hageman, Director
Compliance Division
