Docket No. 50-315
Docket No. 50-316

Indiana Michigan Power Company
ATTN: Mr. E. E. Fitzpatrick
Vice President
Nuclear Operations Division
1 Riverside Plaza
Columbus, OH 43216

Dear Mr. Fitzpatrick:

This confirms our plans as discussed between D. Malin of your staff and E. Schweibinz of this office to have a meeting with you and members of your staff at the D.C. Cook Visitor's Center on March 26, 1992, at 2 p.m. (EST). The purpose of the meeting is to present the Initial SALP 10 Report for D.C. Cook Nuclear Generating Plant.

We encourage you to have appropriate corporate and plant management representation at the meeting to ensure a mutual understanding of the issues and findings being presented by the NRC.

While this meeting is considered a presentation and discussion forum between Indiana Michigan Power Company and the NRC, the meeting will be opened to any other interested parties as observers. Those persons outside the licensee and NRC staffs should inform the Regional Office of their intent to participate.

We hope this meeting will benefit your organization and provide you with a meaningful characterization of the overall safety performance for the D.C. Cook Nuclear Generating Plant.

Sincerely,

ORIGINAL SIGNED BY E. G. GREENMAN

Edward G. Greenman, Director
Division of Reactor Projects
