Gentlemen:

We have reviewed the physical security plan for the Monticello Nuclear Generating Plant, Facility Operating License No. DPR-22, as submitted by your letter dated December 28, 1973, pursuant to the requirements of 10 CFR 50.54(q). To complete our review of this physical security plan, we request that the additional information identified in Attachment A to this letter be provided. Further, your physical security plan should conform to the Regulatory position set forth in Regulatory Guide 1.17 dated June 1973.

Since the attachment to this letter discusses aspects of the details of your physical security plan, it is being withheld from public disclosure pursuant to Section 9.5(a)(4) of 10 CFR Part 9 and Section 2.790(d) of 10 CFR Part 2 because of the proprietary nature of the information contained therein. Withholding from public inspection shall not affect the right, if any, of persons properly and directly concerned to inspect the document.

We request that this information be submitted as a revision to your physical security plan within thirty (30) days from the date of this letter. Three copies of the answers to these questions should be submitted with your letter of transmittal requesting that the information be withheld from public disclosure pursuant to Section 2.790 of 10 CFR Part 2.

Sincerely,

151

Dennis L. Ziemann, Chief
Operating Reactors Branch #2
Directorate of Licensing
