Re: FOIA-83-583

Dear Mr. Felton:

I am writing to update FOIA-83-583. Your office previously responded on October 21, 1983. I would like, at this time, to request that documents filed subsequent to the last response be made available.

This office is on the service list for Docket Nos. 50-440/441. It is unnecessary to duplicate those documents.

This office would also like to expand its request, pursuant to 5 U.S.C. §§552 et seq., to include documents in the possession of the Nuclear Regulatory Commission outside of Docket Nos. 50-440/441 which identify construction problems at the Perry Nuclear Plant units 1 & 2.

As a state agency representing the citizens of the State of Ohio, I request that any fees be waived in accordance with the Freedom of Information Act.

Sincerely,

Richard Ganulin
