Docket No. 50-263 License No. DPR-22

Mark I Containment Information

Addenda 1, 2, and 3 to General Electric Report No. NEDC-20989 (non-proprietary) have been reviewed and were found to be applicable to the Monticello containment analysis. Reference to the non-proprietary versions of these documents was omitted in previous submittals since it was felt reference to the proprietary versions would be sufficient.

Yours very truly,
