Docket No. 50-263
Docket No. 50-282
Docket No. 50-306

Gentlemen:

We have been requested to obtain certain information for your NRC licensed reactor facilities for use by NRC Headquarters in preparing information packets for use in response to incidents or emergencies. In conjunction with this, would you please complete the enclosed form for each station and return them to this office by September 15, 1976. Also, please provide this office by October 7, 1976, a current copy of your emergency plans, together with implementing procedures, as appropriate, and written procedures which you have prepared for coping with anticipated occurrences or events involving your reactor facilities (reference Regulatory Guide 1.33, Appendix A, Section F).

If you have any questions concerning this request, please call Mr. W. L. Fisher of this office, telephone (312) 858-2660.

Sincerely,

James G. Keppler
Regional Director
