Bernard M. Bordenick, Esq.  
David A. Repka, Esq.  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Gentlemen:

In accordance with our commitments, copies of the following document were issued by the TDI Group on May 16, 1984. Distribution is as indicated on the attached service list.

- Cover letter OGTP-30-0-9 from the TDI Owners Group transmitting a report on the Design Review of the DSRV-16-4 13 in. by 13 in. Crankshaft at Grand Gulf Nuclear Power Station.

Very truly yours,

L.F. Britt  
Supervisor of Regulatory Services  
Nuclear Operation Department
