Responses to Questions Concerning Revision 34
to the Monticello Security Plan

- References: 1) Letter from T M Parker (NSP) to the Document Control Desk (NRC), dated December 21, 1990, "Submission of Revision 34 to the Monticello Security Plan"
- 2) Letter from L R Greger (NRC) to T M Parker (NSP), dated May 21, 1991, "Region III Comments on the Proposed Monticello Security Plan, Revision 34"

Pursuant to 10 CFR Part 50, Section 50.54(p), Reference 1 submitted Revision 34 to the Monticello Security Plan for your review and approval. In Reference 2 it was requested that Northern States Power Co. provide corrections to the security plan to address the identified issues. This letter provides our responses to those issues. There are several areas of disagreement between the NRC Staff and Northern States Power Co. concerning the Monticello Security Plan. Following your review of the responses to the identified issues we would like to meet with you to resolve these differences.

The attached responses contain Safeguards Information as identified by the Commission in 10 CFR 73.21. These responses should not be made available for inspection and should not be placed in the public document room.

Revision 34 to the Monticello Security Plan will not be implemented until resolution of the identified issues are achieved and NRC approval is received.
