Subject: License No. 21-15446-01

Dear Mr. McCann:

Enclosed please find our Site Radiological Characterization Plan submitted in preparation for decontamination and decommissioning activities and termination of our NRC license.

I understand that form NRC-314 must be submitted at some point. It is my intention to submit this after February 15 when the bulk tritium has been shipped offsite and certification as to its disposition can be made.

Sincerely yours,

John C. Widman  
Radiation Safety Officer
