Dear Administrative Judges:

As I indicated during the May 21, 1984 conference call among the Licensing Board and parties, the Staff yesterday received the "Stipulation Among the Parties" concerning Applicants' "Motion for Authorization to Issue a License to Load Fuel and Conduct Certain Precritical Testing," signed by representatives of Palmetto Alliance Carolina Environmental Study Group and Applicants. The stipulation is acceptable to the Staff, and I am forwarding herewith the original signed stipulation of the parties.

Sincerely,

George E. Johnson
Counsel for NRC Staff
