

MEMORANDUM FOR: J. Blake, Chief, Materials and Process Section
THRU: J. Olshinski, Director, Division of Engineering and Technical Programs
A. F. Gibson, Chief, Technical Inspection Branch
FROM: C. E. Alderson, Director, Enforcement Staff
SUBJECT: HARRIS: HANGER INSPECTION RECORD DISCREPANCIES
(REF. 2G027B)

The enclosed Investigation Report, 50-400/82-23 identifies discrepancies in the Shearon Harris facility hanger inspection program. They are being carried as an unresolved item (82-23-01).

Please assign an inspector to followup on this matter during an upcoming inspection to resolve this item. Also, please ensure that the Enforcement Staff receives a copy of the resultant report.

Carl E. Alderson
