

NUCLEAR REGULATORY COMMISSION
REGION III
101 MARIETTA STREET, N.W.
ATLANTA, GEORGIA 30303

NOV 13 1982

MEMORANDUM FOR: Alan R. Herdt, Chief, Engineering Inspection Branch, ETP
THRU: John A. Olshinski, Director, ETP
FROM: Carl E. Alderson, Director, Enforcement Staff
SUBJECT: HARRIS: FALSIFICATION OF HYDROSTATIC TEST RESULTS
(REF CASE NO. 2G067)

The enclosed OI Report of Inquiry No. 2Q2-026 which was received by the Enforcement Staff on November 18, 1982, relates to alleged improper practices in the conduct of hydrotests and is forwarded for whatever action you deem appropriate.

If any followup inspection is conducted, please be sure the Enforcement Staff is provided a copy of the resulting inspection report.

Carl E. Alderson
