Dear Sir:

Subject: Oyster Creek Nuclear Generating Station
Docket No. 50-219
Request for Amendment to Provisional Operating
License No. DPR-16
Technical Specification Change Request No. 122

GPU Nuclear (GPUN) was recently advised by Mr. James Lombardo that your office did not receive all of the material forwarded to you in our original submission for the subject action. At this time GPUN is resubmitting a copy of the original request for an amendment to Appendix B of Provisional Operating License No. DPR-16 for the Oyster Creek Nuclear Generating Station.

If you have any questions, please do not hesitate to contact Mr. Douglas Moore of our Licensing and Regulatory Affairs Department at (609)971-4630.

Very truly yours,

Peter B. Fiedler
Vice President and Director

Gentlemen:

Subject: Oyster Creek Nuclear Generating Station (OCNGS)
Docket No. 50-219
Request for Amendment to Provisional Operating
License No. DPR-16
Technical Specification Change Request No. 122

Pursuant to 10 CFR 50.59, GPU Nuclear Corporation (GPUN), operator of OCNGS for Jersey Central Power & Light Company (JCP&L), is submitting a request for an amendment to Appendix B of Provisional Operating License No. DPR-16 for the OCNGS. As required by 10 CFR 50.30, three signed originals and forty copies of Technical Specification Change Request No. 122 are enclosed.

The Technical Specification Change Request includes: 1) Changes in location for three marine woodborer exposure panels; and 2) revised procedure for calibration of environmental monitoring instrumentation. Explanations for these changes are included as Attachment 1. A safety evaluation has been performed for this request and is included as Attachment 2.

This change request has been reviewed and approved by the Vice President and Director Oyster Creek, the Plant Operations Review Committee prior to the implementation of the new Safety Review and Audit Program as outlined in amendment 69 to the Technical Specifications, and the Independent Safety Review Group, in accordance with section 4.3.E and 4.5.3.B of the OCETS. The remaining documentation, consisting of the Notary Page, letter to the mayor of Lacey Township and Certification of Service have been included as Attachment 3.

We have determined that this is a Class II submittal in accordance with 10 CFR 170.22 and have enclosed a check for \$1,200. If you have any questions, please contact Mr. Ronald K. Lacey, Manager Environmental Licensing at (201) 299-2271.

Very truly yours,

P.B. Fiedler
Vice President-Director
Oyster Creek
