Docket No. 50-513

Washington Public Power Supply System
ATTN: Mr. D. W. Mazur, Manager & Director
Post Office Box 968
3000 George Washington Way
Richland, Washington 99352

Gentlemen:

On August 2, 1983, you were billed by Invoice No. B-0265 for the review costs associated with the NRC's review of your operating license application for the WNP-4 nuclear facility, which was withdrawn by your letter dated February 1, 1982. Our letters dated September 2, 1983 and February 15, 1984 provided the cost data which you requested, and waived the interest charges between September 2 and March 15, 1984. A revised invoice was issued on February 15, 1984 for \$68,104.99 to be paid by March 15, 1984. Second and final notices with interest were issued to your company on March 19, 1984 and April 26, 1984, respectively. To date we have not received payment.

Enclosed is a copy of 10 CFR 170 of the Commission's regulations on fees for application reviews. Section 170.41 provides that "...where the Commission finds that an applicant or a licensee has failed to pay a prescribed fee required in this part, the Commission will not process any application and may suspend or revoke any license or approval involved or may issue an order with respect to licensed activities..." Under 10 CFR 2.202, the Director of the Office of Administration is authorized to institute appropriate action by a show cause order with respect to an outstanding fee. However, prior to issuing a show cause order for an unpaid bill that is overdue, we provide applicants and licensees an additional 15-day period to pay the bill and all interest due for it. Consequently, we are hereby requesting that the outstanding amount for revised invoice No. B-0265 be remitted to this office within 15 days after your receipt of this letter. The application review cost is \$67,598 and the current interest is \$1,520.97, with the current total amount due the USNRC being \$69,118.97. For each 30-day period or portion

thereof that the payment is overdue, the interest amount is \$506.99. If the payment is not received by us on or before June 14, 1984, an additional \$506.99 is owed to the USNRC.
