Dear Mr. Collins:

River Bend Station - Unit 1
Refer to: RIV
Docket No. 50-458/I&E Bulletin 83-07

In a letter dated March 22, 1984, Gulf States Utilities Company (GSU) responded to Bulletin 83-07 "Apparently Fraudulent Products Sold by Ray Miller, Inc." with the information available at that time and committed to provide a final response or status report by May 30, 1984. At this time GSU's investigation is not complete, however, information available indicates no Ray Miller, Inc. material has been supplied to GSU for use at River Bend Station. It is anticipated that GSU's investigation will be completed by October 1, 1984 at which time GSU will provide a final response or status report. Should you have any questions concerning this response, please contact us.

Sincerely,
