Dear Mr. Miller:

DOCKET NOS. 50-266 AND 50-301
LICENSE APPROVAL FEE SUBMITTAL
LICENSE AMENDMENTS 84 AND 88
POINT BEACH NUCLEAR PLANT, UNITS 1 AND 2

Your letter dated May 22, 1984 discussed the license amendment approval fees determined by your staff to be appropriate for our license amendment application dated December 10, 1981. You had determined that a Class III approval was necessary because of the nature of the changes requested. Wisconsin Electric was, therefore, requested to remit an additional sum of \$2,800 to complete the fee requirements for review of License Amendment Nos. 84 and 88 to DPR-24 and DPR-27, respectively. Accordingly, please find enclosed a check in the amount of \$2,800 to complete this fee payment.

Very truly yours,

Vice President-Nuclear Power

C. W. Fay
