

JAN 14 1992

MEMORANDUM FOR: Robert M. Bernero, Director
Office of Nuclear Material Safety
and Safeguards

FROM: Richard E. Cunningham, Director
Division of Industrial and
Medical Nuclear Safety, NMSS

SUBJECT: ACTION PLAN FOR SEQUOYAH FUELS CORPORATION (SFC)

Enclosed is the updated Action Plan for Sequoyah Fuels Corporation. Changes are noted by an "R" in the right hand margin. Since the last update of the SFC Action Plan, the Order Modifying License and Demand for Information was issued by the staff. One milestone has been added; the decision on restart. The renewal review has been delayed 6 months. This will be the last update of this action plan.
