In regard to the remaining portion of your request, Ms. Pugh offered to provide you with a printout listing all Notices of Violations for the Palisades nuclear plant. You agreed that this listing would be responsive to your request. This listing is identified on enclosed Appendix A and is enclosed. However, since the records on this listing have previously been made publicly available at the NRC's Public Document Room (PDR) for inspection and copying, they are not enclosed. I have, therefore, enclosed instructions to assist you in obtaining copies of these records directly from the PDR.

You are not being assessed fees for the processing of your request since the minimal fee limit has not been exceeded. This completes NRC's action on your request.
